

St. John Neumann Catholic Church Confirmation: Saint Project

As we go through our sacramental preparation for Confirmation, Confirmation saints are chosen as a person we want to be like, as well as someone who can pray for us from heaven.

Through the process of canonization, when someone is declared by the Church to be a saint, the Church is proclaiming that this member of the faithful practiced heroic virtue during their life on earth, 'the Church recognizes the power of the Spirit of holiness within her and sustains the hope of believers by proposing the saints to them as models and intercessors' (CCC 828).

There are three options for the Saint Project:

Saint essay: write a brief essay that includes all the information listed below. It should be about a page in length, and should tell us who your saint is, why you chose them, how they have impacted your life, and why you aspire to be like them.

Poster/Visual Saint Project: Create a poster or one page visual that includes all the necessary information, as well as a picture or image that represents your saint. The poster can be any size you like, so long as all of the information fits.

Digital/Media Saint Project: Create a PowerPoint, Prezi, Video, or some other media type presentation that includes all of the information about your saint. There is no length requirement for the digital project, but it must include all of the information as well as a visual of your saint.

All projects must include the following:

- Your name, as well as the name of the saint you have chosen
- A brief description of the life of your saint
- The feast day of your saint
- Why they impact your life
- What causes you to want to aspire to be like this saint?
