

St. John Neumann Catholic Church Confirmation: Service Projects

Stewardship is an integral part of the SJN Confirmation preparation. It is putting the words of Scripture and great Saints into action. Confirmation candidates should be involved in experiences that enable them to use their talents and gifts for the service of others, especially the poor, the needy, and the disadvantaged. Often, it is through interaction with God's people that we receive many blessings. It is important to understand that service is as much a part of being a Catholic Christian as going to Mass or believing in our church's teachings.
