

MISSIONS @ SJM

Charlotte, NC

This year for missions we have chosen to stay right here in the Queen City! The past few years we have traveled great distances for our trips, and this year we felt that it was important to realize the need for service within our own community. We will have the opportunity to partner with Catholic Heart Work Camp again this year, and will have the chance to work with Catholic Charities, Habitat for Humanity, and many other local charitable organizations around the

Charlotte area. Our hope is that we might inspire a desire for service in the Charlotte area, and give teens an opportunity to see the needs that surround them.

Our trip will be July 1-7 of 2018 (yes, we do know that this overlaps with 4th of July). The mission will be open to all high school teens from rising freshman to graduated senior. Catholic Heart Work Camp has made special plans for the 4th of July for all mission goers. We are unsure at this time whether or not parents/ families will be able to join for these activities, but we will be sure to get information to you as soon as possible. The cost for our trip this year is \$475 and will cover: transportation, meals, overnight accommodations, mission materials/ activities, and 4th of July celebrations. The following page will be a table displaying the payment schedule for all who are accepted to the mission program this year. Please feel free to contact us if you have any more questions.

The following is a layout of the payment plan for Missions@SJN 2018. This is used to ensure that everyone has ample time and notice to get all payments in place before we leave for the trip. Additional payments, or full payment can be made at any time prior to the due date, but it will be expected that all participants do their best to keep up with the payment plan schedule. Note that any fundraising done by the participant will count towards their personal total and their overall fundraising goal. At any point participants may contact Meg to get an updated count of where they stand financially. Money may be refunded up until the April 1st due date, after which it will only be refunded if another participant is able to fill the voided spot.
