

OPERATION BIKES – MAKE CHRISTMAS SPECIAL FOR CHILDREN IN OUR COMMUNITY

Were Back!!

Thank you to Fr. John, for allowing the Knights of Columbus and the parishioners of SJN to once again assist families in east Charlotte in our annual Christmas bicycle drive.

*Are you aware that last year our parish collected enough monies to purchase 93 bikes for children in our community? These bikes brought much joy to boys and girls. This year's bike drive begins the weekend (October 14th & 15th) and run through **Sunday, November 19th.***

Our goal is to purchase as many bicycles as possible on Black Friday November 24th. We would like to expand on the number of bikes donated to children in the elementary schools in our community and other churches in the area. For additional information or if you would like to participate in our bike drive please contact John CasaSanta (704-451-7020) or Mike Horeth (704-650-8942).

Please place all checks in the collection baskets, drop them off at the church office or add a donation to your on-line giving account. Please indicate Operation Bikes. All checks should be made payable to SJN as this is a tax-deductible gift.

Thanking you in advance!
